

Isabella Chu
Candidate for Redwood City Council

Isabella did not complete the Peninsula Dog PAC Questionnaire, but did respond with a couple of emails with the entire email content quoted below:

(9/11/20 email response)

“Zero worries. I LOVE dogs, but don't have them and do not have informed opinions on this issue. So I will demure for now.”

(9/12/20 email response)

“I'll try to get it back to you this weekend, but my answers will be thin and vague as I don't have bandwidth to do a deep dive on this. What I am happy to do is have a zoom so I can get more information and better understand the pros and cons.

I'm mostly a land use policy wonk but I believe parks and green space are super important.”
