

Peninsula Dog PAC Questionnaire

1. Do you have a dog? If so, where are your favorite places to walk your dog?

Not currently. Did have a great Dane, Lost her two years ago. Used to walk her around the neighborhood and out at the end of Seaport Blvd.

2. What schools, open spaces and trails in Redwood City do you think people should be allowed to walk dogs on-leash and/or off-leash?

On Leash , anywhere. Off leash end of Seaport Blvd. and anywhere there are fewer walkers and fewer children that may run up to a strange animal. I cannot comment on School property as activities on school propertys are regulated by the school district jurisdiction that they are addressed in.

3. Stulsaft Park allows dogs on-leash throughout the park and off-leash on a little under half the park. Do you believe:

- (a) The amount of off-leash is right
- (b) There should be more off-leash
- (c) There should be less off-leash

Please explain your choice.

I believe it deserves the research. Most dog owners are responsible however rules will get established based on the activity of the irresponsible ones, that is unfortunate.

4. Redwood City currently permits dogs on-leash in all parks other than ball fields.

- (a) Do you believe any Redwood City parks (other than Main Street Dog Agility Park, Shore Dogs Park and parts of Stulsaft Park) should allow dogs off-leash. Please elaborate?

Again unfortunately not all dog owners are responsible owners. I would expect your organization to bring forth examples of where and how this could be accomplished.

- (b) Do you believe there are Redwood City parks (other than ball fields) that should no long permit dogs on-leash? Please elaborate?

If we see an uptick of dog droppings and confirmed cases/complaints of uncontrolled dogs in any of our parks, then we need to revisit. The bad behavior of some will damage the reputation of others and could cause us to revisit where we allow dogs . But I generally support dogs in public parks while on leash and under the control of the owner.

5. Is there anything else you would like voters to know about your position on recreational dog walking access?

I miss my dog. Now more than ever in this world of COVID our pets give us peace and love which is definitely needed.
